Mr. Kelly Becker
Environmental Supervisor
Duncan Aviation, Inc.
3701 Aviation Road
Lincoln, NE 68524

RE: Duncan Aviation, Inc.
Lincoln, Nebraska
RCRA ID No.: NED980971733

Dear Mr. Becker:

Request for Information

On June 23, 2016, a representative of the U. S. Environmental Protection Agency inspected your facility. The inspection was conducted under the authority of Section 3007 of the Resource Conservation and Recovery Act.

My staff is reviewing the inspection report to determine if violations of RCRA exist. Although no violations were cited by the inspector at the time of the inspection, we are requesting additional information regarding your facility's compliance status. Enclosed is a list of questions and/or requested information. Also enclosed are instructions to be used in providing your response. Please carefully read and follow these instructions. Your response to this request in accordance with the instructions is required by Section 3007 of RCRA and substantial penalties may result from not complying. Please note that the EPA reserves its right to pursue appropriate enforcement actions, including penalties, for violations discovered as a result of the inspection, regardless of whether the violations were subsequently corrected.

Printed on Recycled Paper

Within 30 calendar days of receiving this letter, please mail your response to: Rebecca Wenner, U. S. Environmental Protection Agency, 11201 Renner Boulevard, Lenexa, Kansas 66219. To request an extension of the time limit, follow the instructions in the enclosure. Please direct all questions to Rebecca Wenner at (913) 551-7644.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mary Goetz". The signature is fluid and cursive, with the first name "Mary" and last name "Goetz" clearly distinguishable.

Mary Goetz

Chief

Waste Enforcement and Materials Management Branch
Air and Waste Management Division

Enclosures

cc: Mr. Jeff Edwards, Nebraska Department of Environmental Quality

List of Requested Information
Duncan Aviation, Inc.
Lincoln, Nebraska
RCRA ID No.: NED980971733

1. Please provide a detailed description of your evaporator unit(s). Include all pertinent drawings, flow diagrams and other documents that help explain how the evaporator(s) is used. Also include a list of all wastes that are processed in the evaporator(s).
2. If the evaporator(s) is processing hazardous wastes, include waste codes associated with each waste, and copies of all waste determination documentation.
3. If the evaporator(s) is processing hazardous wastes, include the approximate amount (in pounds) of the wastes put into the evaporator each month.
4. If you consider the evaporator(s) to be exempt from the hazardous waste permitting requirements, please provide a detailed explanation, including all regulatory references for the exemptions you are claiming, and copies of any correspondence with regulatory agencies regarding the exemption.

3007 RESPONSE INSTRUCTIONS

- * Identify the Person(s) responding to this request on your behalf.
- * Address each numbered item separately, and precede each answer with the number of the item to which it responds.
- * For each numbered item, identify all documents consulted, examined, or referred to in the preparation of the answer, or that contain information responsive to the requested item. Provide true, accurate, and legible copies of all such documents. (If information responsive to an item is available but there are no relevant source documents, you must still provide the information.)
- * For each document provided, indicate on the document (or in some similar manner) the number of the item to which it responds.
- * For each numbered item, identify all persons consulted in the preparation of the answer.
- * For purposes of this request, the term "you" or "your" refers to the company, corporation and any officer, principal, agent employee, or any other person(s) associated in any capacity.
- * If information responsive to a requested item is not in your possession, identify the person(s) from whom the information may be obtained.
- * If information that is not known or available at the time you make your response later becomes known or available to you, you must supplement your response.
- * If, at any time after you submit your response, you find that any part of the information you submitted is incomplete, false, or misrepresents the truth, you must notify the EPA immediately.
- * You must provide the requested information even though you consider it confidential information or trade secrets. If you want to make a confidentiality claim covering part or all of the information submitted, identify the material with words such as "trade secret," "proprietary," or "company confidential."
- * The EPA will disclose this information only to the extent and by the means described in 40 CFR Part 2, Subpart B., provided that it qualifies as confidential business information.
- * A request for an extension to the time limit for responding must be in writing and must be postmarked within five (5) calendar days of receipt of this information request. Address it to the person identified in the cover letter to receive your response.
- * Copies of the Code of Federal Regulations may be obtained from the U.S. Government Bookstores or on the Internet at www.epa.gov/epahome/cfr40.htm.
- * This request for information is not subject to the approval requirements of the Paperwork Reduction Act of 1980.
- * The EPA encourages you to conserve resources. Suggested methods include use of recycled paper, printing on both sides (duplex printing), and when possible submitting documents electronically (i.e., email or compact discs). If hard copy submittals are necessary, please do not submit documents in binders.

Not responding to this information request within the stated time limit and in accordance with these instructions may subject your facility to an enforcement action which could include the imposition of penalties of up to \$70,117 per violation, per day of continued noncompliance. Providing false, fictitious, or fraudulent statements or representations could lead to criminal penalties.
